

2015

Dear Sir,

PKM Advisory Services Pvt. Ltd. is a corporate management consultancy outfit providing integrated financial solution to a business enterprise. It is a group of Chartered Accountants, Company Secretaries, Ex-bankers and Technocrats as associates.

It has been our endeavor to organize interactive sessions as an Annual Feature by inviting leading economists, bankers, other experts in their respective fields and industries.

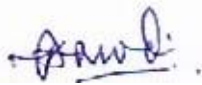

MSMEs are aptly regarded as the backbone of the Indian Economy. It contributes upto 40% to gross industrial manufacturing value, 35% of exports directly and indirectly, 8% to India's GDP and provides employment to around 33 million people.

The State of Gujarat, the most industrially advanced state, has a very well cluster based MSMEs spread throughout state. PKM has largely focused on providing professional services to MSMEs across state.

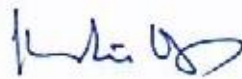

We, as our annual event, have proposed to organize one day conference on Saturday, 28th August 2010 at Hotel Cambay Grand, S.G. Highway. The interactive session will be on "Industrial Growth – MSME – Gujarat 2015". We are expecting participation of around 125 persons including approximately key decision makers of more than 60 companies. The token participation fee is kept at Rs.750/-.

We solicit your support by participating in our conference.

With kind regards,
Sincerely,
